G, H, HH, J, M, N O, P, Q, Y, Z, 3*	1, 3*, Z	X	S, T, W	A, B, C, D, E, F, I, K, L, U, V
Notes:				
The cemetery is broken down into Sections-Lot-Grave numbers				
Graves numbers run North to South and then back North (see examples)				
Heads are pointed to the west (if they sat up, they face east)				
Husband typically lies to the right of the wife				
Family or marker may dictate differently				
Lots in Sections A, B, C, D, E, F, G, J, K, L, Q start numbering from the NE corner				
Lots in Sections H, HH, I, M, N, O, P, S, T, U, V, W, X, Y, Z, 1, 2, 3 start numbering in the NW corner				
Cremation:				
Military - grave is under marker				
Section Q - woman on the North, man on the South typically				
Comingled remains count as 2 burials				
Plots:				
One grave plot could have 2 burials (1 cremation + 1 full burial)				
Two grave plot could have 4 burials (2 cremations + 2 full burials)				
Eight grave plot COULD have 16 people but not likely since most of these are filled				
Section R is not plotted				
Section 3* has some single lots (237-310), rest are 2 grave lots				
Section J is infant burial area				
Some section changes have been made so older maps may not be the same as				
the current listed locations - use most current
